TechArk Soars to New Heights with 4th Consecutive Year on Inc. 5000

Norfolk, VA—August 13, 2024 — TechArk, a trailblazing digital agency known for transforming businesses through innovative web development, digital marketing, and custom software solutions, is proud to announce its inclusion on the Inc. 5000 list of America’s Fastest-Growing Private Companies for the fourth consecutive year.

The Inc. 5000 list is more than a ranking—it’s a celebration of the entrepreneurial spirit that drives America’s economy forward, recognizing companies that are not only surviving but thriving in today’s challenging business environment.

Integrity, Innovation, and Quality: The TechArk Way

“What started with a single idea... with a single service... has now blossomed into tens of services in the digital marketing & technology space,” said Pratik Kothari, CEO and Founder of TechArk.

“Today we’re building automation and AI services, doing the groundwork on our own business, so that when we launch it, we know it will delight our customers.”

Since its inception in 2012, TechArk has grown from a bold startup to a formidable force in the digital space, partnering with a diverse range of clients—from local businesses to global enterprises—providing tailored digital solutions that empower growth and drive success. The company’s inclusion in the Inc. 5000 for the fourth year is a reflection of its relentless pursuit of innovation, quality, and client satisfaction.

A Journey of Growth and Impact

TechArk's journey is one of perseverance, adaptability, and vision. Over the past year, the company has not only expanded its service offerings but also deepened its commitment to client success and community impact. TechArk's inclusion in this prestigious list underscores its ability to adapt, innovate, and lead in an increasingly competitive market.

"It has honestly never been about the latest shiny programming language or the shiny gadget. It has always been about solving a problem," Kothari added. "That's what I love about this job after all these years of building this business."

"We hope to inspire people and we aspire to learn from them."
